**Narrative**

Vehicle #1 was west bound on Hwy 3 approaching the intersection with Noble Ave. Driver of #1 stated she was going around 35 MPH due to the road conditions.

Vehicle #2 was east bound on Hwy 3 just past the intersection of Noble Ave. Driver of #2 stated she was going around 50 MPH. Vehicle #2 encountered some ice covered roads and began to lose control of her vehicle. Vehicle # then crossed the center line of the roadway while sliding sideways.

Vehicle #1 was unable to stop and made contact with the front of her vehicle into the center of vehicle #2. Both vehicles then came to rest on the north shoulder of the roadway.

No citation issued due to road conditions. However cause of the accident is failure to maintain control on driver #1 which caused the vehicle to cross the center line.
